| BIOL 222 Microbiology | 4 | _____ | _____ |
| Option elective Elective applicable to future nursing program | 3 | _____ | _____ |
| <i>Credits</i> | 20 | | |
| Total Credits | 36 | | |

NOTE: Mesalands Community College does not offer a nursing program, nor does completion of this certificate program guarantee acceptance into any nursing program or qualification for a specific medical occupation. This curriculum does contain some of the more common general education courses required in many nursing programs.

For specific information on requirements for a particular nursing program, students should consult the articulation guide for that program or contact that particular institution. Some substitutions may be authorized if applicable to the nursing program for which the student is seeking admission. Inquire in Office of Enrollment Management for details.

In addition to the above classes, some nursing programs require that the applicant complete a Nurse Aid or Nurse Assistant program prior to acceptance.
