AHS 106/SW106: Approaching Alzheimer's

**Mesalands Community College
Building A, Room A223**

This course is designed to raise awareness and teach first responders proper techniques to handle situations involving individuals with Alzheimer's or Dementia.

Attendees will also participate in a Virtual Dementia Tour.

Prior to the first day of class, students must complete the pre-assessment program: "Recognizing the 10 Warning Signs of Alzheimer's" online at alz.org.

Instructor Terrence Sommers has served on the committee and board for the Alzheimer's Association West Texas Chapter-Amarillo, and their speaker's bureau, coordinating first responder training and spreading awareness for the past five years. He is the lead instructor for the Alzheimer's Association's First Responder Training Program that focuses on teaching dispatchers, law enforcement officers, fire fighters, and EMT's proper techniques for recognizing and responding to someone who may have Alzheimer's or another mental condition.
