

REQUEST FOR CERTIFICATION OF V.A. BENEFITS

Students who have not previously received V.A. benefits must first complete and submit V.A. Form 22-1990, *Application for Educational Benefits*. A copy of the approved certification letter must be given to the V.A. Certifying Official on campus. All students who intend to use their benefits must first complete a Free Application for Federal Financial Aid (FAFSA).

Students who are eligible for and wish to receive V.A. benefits must complete this form for **each semester** of enrollment at Mesalands Community College. The VA Certifying Official will then submit an enrollment certification to the regional V.A. office.

Students who have received V.A. benefits at a different college and have transferred to Mesalands Community College or who have changed their program of study at Mesalands Community College must complete and submit V.A. Form 22-1995, *Request for change of Program or Place of Training*.
